"Growing and Learning Together"

October 2017 Newsletter

Happy Fall to our SPROUTS' Families!

We have enjoyed a wonderful first month with your child! We have been focusing on the routines in the classroom and introducing our discovery centers. Your child has been exploring many new activities and becoming familiar with our schedule. We will be studying about farm and harvest during the month of October. We will also continue to experiment and explore colors and shapes during our sessions. We are looking forward to having you join us for an activity with your child the last 30 minutes of each session from 10:30 - 11:00 AM.

Thank you for being part of our SPROUTS' ministry! We value your partnership!

Monthly Themes

Colors
Listening and Following Instructions
Farm/Harvest

Christian Character Trait

Endurance: "Doing a job when it gets tougher than expected."
Bible verse: "Let us not lose heart in doing good." Galatians 6:9

Your child will be discovering:

Science: colors, observation, float/sink, seeds, pumpkins, corn

Technology/Engineering: building, music/movement

Math Skills: counting with 1:1 correspondence, graphing, measuring, sorting

Literacy Skills: recognizing our name, recall of information, speaking and listening

Art: creating, exploring with different materials

Reinforce concepts at home by:

Ask your child to tell you about the activities that he/she enjoyed at SPROUTS.

Ask questions that encourage your child to tell you about his/her activities such as:

"What did you play with during discovery time?"

"What did you do during outside time?"

"What was the question of the day?"

"What helper job did you choose?"

"What is the Christian character Trait for the month?"

Read to your child for 10-20 minutes each day.
