"Take a Stand"

1 Thessalonians 3:1-13

Key Verse: 1 Thessalonians

Key Thought: The very best investment that we can make with our lives is in the spiritual welfare of people. The greatest joy that we can ever experience in life is being privileged to see the return on that investment.

How did Paul help the Thessalonians stand?

He sent them a helper (1 Thessalonians 3:1-5)

To strengthen and encourage (1 Thessalonians 3:2)

To remind that suffering is inevitable (1 Thessalonians 3:3-4)

To find out how they were doing (1 Thessalonians 3:5)
