How does Jesus teach one to deal with personal temptations to sin? Why?

Applying the sermon

How can we identify fellow brothers and sisters in Christ today?

How can we encourage followers of Christ who are not in our fellowship?

How can we cause other believers to stumble? How can we prevent this from happening?

How can you cause yourself to stumble? How can you prevent this from happening?

Why is it important that we continue to strive and increase in our love for God?
