1 Samuel 23:1-14

Observing the text

After reading 1 Samuel 23:1-15, what appears different about David's decision making compared to how it was in chapter 21?

Why did the people ask David to protect them instead of asking King Saul?

What method of decision making did David have that we don't have today ?

What did David do for his men in verses 3&4 that showed his care for them?

Why didn't the men of Keilah end up handing David over to King Saul?

Applying the sermon

Who or what is the first thing you turn to when times get tough?

In which decisions is it important to include God ?

How is having the Holy Spirit better than having an ephod?

How are you encouraged knowing that God is preparing you right now for his plans?
