**Study Aid for the Sermon from March 26, 2017  
Compassion For All  
Mark 8:1-10**

**Observing the text**

Why did the Pharisees demand a sign from Jesus?

How did Jesus respond to the Pharisees?

Why do you think Jesus responded this way?

What was Jesus' particular warning for His disciples in these verses?

Why did Jesus remind His disciples of the two miraculous feedings in the past?

**Applying the sermon**

Have you ever found yourself disappointed and wanting more from God?

How does God's Word confront such an attitude of disappointment?

What things distract you from doing God's will?

Why is it so dangerous to hear God's Word but fail to respond in obedience?

How can you promote an attitude of responsiveness to God's Word in your own life?
