The Return to Jerusalem  
Acts 21:1-17**

**Observing the text**

Find the locations on a map that are mentioned in Acts 21:1-17.

Why does Luke include all of these places in his account?

What do you learn about prophecy in Acts 21:1-17?

Why does Paul not follow the advice and urging of the brethren?

What moved Paul to be so committed to get to Jerusalem?

**Applying the sermon**

How connected are you with people at our church? If you were to leave, how missed would you be and why? What can you do to be more connected to God's people?

When have you heard of supposed prophecies from pastors? How have these compared with what we find in the Bible?

When have you gone against the advice of your friends? What motivated you to do so? How does this relate to your service to the Lord and compare with Paul in this passage?

Take a moment to commit yourself anew to following the Lord in spite of opposition and suffering.
