What role do our good works play in the process of salvation?

How exactly does Paul describe the process of salvation?

What is the result of our salvation?

**Applying the sermon**

How can the reminder of our sinful past motivate us to engage the world?

How should the character of God move us to evangelize?

How should our inability to save ourselves encourage sharing our faith?

In what ways should the Holy Spirit's role in salvation increase our prayers for the salvation of the lost?

How might the hope of eternal life stimulate us to speak to unbelievers?
